

# BISHOP'S TACHBROOK C of E PRIMARY SCHOOL

## Friday January 19th 2018 Newsletter 2.

Dear Parents, Carers and Children,

### FOOTBALL v WHITNASH 3-0

Mr Rellis is delighted to announce the 3-0 win against Whitnash last night. Goals were scored by Lucas, Jack and Aaron. Players of the match were Max B for his clean sheet goalkeeping, and Olivia B for her brilliant defending throughout the second half during a significant attack by the opposition. Our fabulously well behaved Team Tachbrook squad was: Olivia B, Max B, Tom M, Jack H, Matthew D, Lucas H, Wilf H, Oliver B, Ollie S, Ben S and Aaron F.

### TOP ATTENDANCE

Congratulations to Year 4 whose 99.4% is incredible.

### CLASS OF THE WEEK

It's Reception. We are all so proud of the children's hard work learning their letter sounds and using them in their writing all about space. The whole class are really enjoying playing and learning about the teddy who goes up the chimney into space in a box. Whatever next?

### STARS THIS WEEK

Congratulations to: Isobel H-W (R), Rhian (1), Annabel (2), Mai and Evie (3), Max (4), Archie (5) and Ben (6). Head Teacher's star is Jai (R) for his super writing in his own book all about space.

### PIANO PLAYING PERFECTION

Congratulations Sophia (4) whose distinction in Grade 1 theory and piano is amazing. We all listened to a recital in assembly today. Sophia didn't even have the music! What perseverance! I just know there has been an awful lot of practice to get this good. Well done.

### MID DAY SUPERVISORS WANTED

Would you be able to offer us occasional help at lunchtimes? We are recruiting additional Mid-day supervisors to assist us from time to time when we need that little bit of extra help. Contact the Office for details. The rate is £7.78 per hour.

### FOOTBALL TOURNAMENT WIN

Well done to Max and Tom (Y4) who recently won the tournament with Norton Lindsey and showed their medals today.

### PTA CLOSE TO THE £4000 MARK

Congratulations and many thanks to the PTA who have so far this year raised an astonishing £3968 through Wild Bill, the Christmas Fair, Non School Uniform Day, Discos, Nativity DVD's, donations at the performances, The Giving Machine, Rag Bag and the Christmas card designs. We are so very grateful for the tireless work of the committee and the support of all the parents in organising so many fun filled events and raising money for things which are beyond the school's budget. So far this year we have already bought and installed new stage lighting, bought new resources for school and we have placed an order for the first touch screen classroom TV to replace the first generation Smart board screen and projectors which are really on their last legs. Susan Watt thinks the PTA first raised money for these about 12 years ago so they have all seen better days.

### PTA FILM NIGHT 26<sup>th</sup> JAN 5.00-7.00pm

Our fabulous PTA will be putting on a film night for everyone on Friday 26<sup>th</sup> January. Doors open 5.00pm for a 5.15 start. Despicable Me 3 (U) is the story of Gru teaming up with his long lost brother Dru and their plan for one final criminal heist together. PTA meeting is Tuesday 16<sup>th</sup> Jan at 7.30pm.

### ECO RANGERS OLD PENS APPEAL

Save the planet, help a cancer charity and keep the eco rangers busy. We need your old bios, felt tips, markers and highlighters please.

And finally, I have had jokes galore from Seren, Miya H and Mia T. Here is the first of their collection: Why was the student like a sea horse? His grades were all below C level.

Best wishes,  
Andy Brettell Head Teacher

Do take a look next time you are in the hall to see some simply beautiful art work by Year 2 (inspirational personal quilt designs), Year 5 (sunflower close observations) and Year 3 (Rollright Stones collages). Well done to all and thank you Mrs Dixon and the volunteer team of art helpers too. Simply incredible.
