TOP ATTENDANCE

Both Reception and Y1 achieved a remarkable 100% last week

What an exemplary result that is!

KEEPING EVERYONE SAFE

It's not possible to allow children to play on the school equipment before or after school. At 8.40, children should line up ready for their teachers. At 3.15pm, we must ask parents to take their children home. This is to safeguard everyone so that Onside Coaching and OOSC can see exactly who they are responsible for. As soon as possible after 3.15pm, OOSC children need to have access to the super new equipment and the playground. Thank you all.

THE CHOIR REHEARSE AL FRESCO

Children in Reception were all agog listening to Miss Wright's choir as they practised in the playground. Watch out for them tonight at the Food Festival; you are in for a treat.

MATT WESTERN MP VISITS BT SCHOOL

When Matt Western MP met two of our pupils at a climate change event recently, he promised to visit this school. True to his word, Matt found time today to come and see us at work, listen to the choir, meet our Eco rangers, answer questions from Y5 and Y6 about climate change and then take part in assembly.

Sienna (Y6) even asked Mr Western why the SATS papers for schools are always wrapped up in so much plastic. Would Mr Western ban SATs, ban plastic bags or both? Ask Y5 and 6 what he replied.

And finally, why did the scarecrow win a Nobel prize?

He was always out standing in his field.

Best wishes, Andy Brettell Head Teacher

Word of the week: compost

Everyone can **compost** the PTA Food Festival curry boxes because they are not made of plastic.
