

BISHOP'S TACHBROOK C of E PRIMARY SCHOOL

Friday September 28th 2018 Newsletter 4.

Dear Parents, Carers and Children,

RESPONSIBILITY: THIS TERM'S VALUE

Thank you to every pupil for being so responsible around the new building. If children were to run up and down the steps they could get hurt so thank you to everyone for keeping us all safe. It will very soon be time for a whole school treat to thank pupils for being so responsible.

MORE RESPONSIBILITY

Please remember that when Mr Hanson opens the gates at 8.40am, this is the time for lining up on the playground. Children **MAY NOT** play football at this time or play on the field or use the equipment which is only for use when supervised by school staff. Thank you everyone for your help to keep us all safe before school begins. Bus children must come straight down the new path to line up on the playground.

ONE MORE REQUEST FOR SAFETY

Counting every child in and out of OOSC after school or Onside Coaching clubs on our field is a vital safeguarding task. It becomes very difficult indeed to account for every child arriving at OOSC, walking up to the new bus stop and doing sports with Onside Coaching when other children, not in these clubs, are still using the playground or the equipment. Parents and carers **MUST NOT** allow children to use our playground, field and equipment at this time. Parents waiting for siblings in Nursery are asked to wait outside the Nursery gate. Your cooperation will help the staff of the school, OOSC and Onside Coaching keep every child safe. Thank you.

Y6 MANOR ADVENTURE

Our Y6 had a fantastic weekend and their behaviour was impeccable. Thank you to Mrs Myers, Mrs Boak and Mrs Pepin for giving up your weekend to be with our fabulous pupils as they climbed, kayaked, abseiled, hill-walked, caved, took part in archery and much much more.

Y6 pupils have also done some very impressive writing about the trip including 'U' shaped valleys and the unexpected moment when four wild ponies suddenly appeared. Well done to **ALL** the Y6 team.

And finally, a joke made up by Isabelle B (Y1): why did the unicorn not cross the road? She was horn out!

Best wishes, Andy Brettell Head Teacher
