February 2018

Dear Parents and Carers,

### Cross Country Qualifier – Central Area

The Cross Country Qualifier will take place at Hatton Country World on Saturday 10<sup>th</sup> March. The girls' race will start at 10.30am and boys' race at 11.00am. There will be medals for the top 3 in their race and certificates for the top 20. The first 18 in each race will represent the Central Area in the County final at Hatton Country World on 24<sup>th</sup> March. The races will be the same times. Don't let the fact that this is a competitive race put you off. Lots of children compete just because they love to run.

### Parents/carers are responsible for organising transport for children to and from events.

There is plenty of parking and attendants will be on site to show you where to park. If I hear that the event has been cancelled then I will contact you via text.

Children need to arrive in plenty of time to ensure a good to warm up; stretch and a walk of the course takes place so please make sure your child is at Hatton by 9.45am.

This race is open to Year 5 and Year 6 children but I am limited as I can only take 7 of each gender. I will operate a first come first served system so if you would like to take part please complete the slip and return to me ASAP.

Many thanks,

Kathryn Potter  
PE Coordinator
