Dear applicant,

We are currently advertising for a manager for our Out of School Club (OOSC) following an opportunity which has arisen for the current manager to progress her career and pursue a Master's degree. Thank you for your interest in this very exciting role. It's a great chance to join and lead our happy and successful before and after school care team.

Any interested candidates are encouraged to contact the school for an informal chat about how this position -which include free childcare in the club for the candidate's own (primary school age) children- could work for you.

Our club has a good 'Ofsted' rating and enjoys a great reputation for providing happy, safe and relaxing care. We benefit from an efficient online payment and booking system to minimise day to day paperwork and administration for the manager. This allows the manager to be the lead professional each day working face to face with the children in our care.

The Club is committed to safeguarding and expects all staff and volunteers to share this commitment. Applicants will be required to undertake an Enhanced DBS check with a Barred List check as well as Ofsted suitability checks as part of the pre-employment process. We are an equal opportunity employer.

[More details can be found on our website](#) but please do get in touch and arrange a visit to find out how this job could work for you.

Yours sincerely,

Andy Brettell
Head Teacher
Chair of the OOSC
