Dear Parents and Carers,

Netball match - Thursday 1st March - Clapham Terrace (Home)

Your child has been selected to play in a netball match against Clapham Terrace Primary School, at home.

As this match is at home, your child is welcome to stay at school for extra practice before the game. The children will be given a netball kit to wear but please make sure they have appropriate footwear; an extra snack and drink would be helpful too.

You are welcome to come and cheer the team on, in both home and away matches! If there are any changes due to bad weather we will get in touch on the day through text.

Yours sincerely,

Helen and Jenny
Netball Coaches
